

SLEEPER CABINS

ABOUT US

Always step forward
and make a difference
for better services

Our sleeper cabins offer the perfect portable accommodation, expertly custom built containers. Designed with anti-vandal features, these units are robust and secure, ensuring safety in any environment.

A key advantage of our sleeper cabins is the waste saving advantage, which separates black and grey water systems minimise wastewater, reducing the need for large waste tanks and expensive tanker services.

Smart choice

Specially designed vacuum pans reduce toilet waste by 75% compared to traditional systems.

Expertise

Years of experience means we have developed our sleeper cabins to separate black and grey water systems minimise wastewater, reducing the need for large waste tanks and expensive tanker services.

Security

Enhance security with our optional keypad entry system, offering easy access and peace of mind.

SHOW CASE
